

September & October at The Swampscott Public Library!

It's 3D Printer Time!

Have you ever wanted to use a 3-D printer but don't know how? Want to learn how to use the software to make your own design and then print it in 3-D! Or, you know technology and just the printer? Then come to the library the following dates and we will have the 3-D printer on and ready to go. Help will be given to all those who have questions or need assistance! Come on in and give it a try! **Ages 10 and up**

Dates: Saturday, September 23rd and Saturday October 21st from 10 am – 2 pm

It's all about the Clay!

Come on in the following dates and learn how to use clay to make a creation of your own imagination. Josie Lynch, a middle school student and artist, will be there to teach and assist all who come. We supply the material, you just bring your imagination! **Ages 10 and up.**

Registration is required. Call the library at [781-596-8867](tel:781-596-8867) and ask for Janina!

Dates: Saturday, September 23 & Saturday, October 21st from 12-2pm
