WHO IS HANOCH PIVEN? The witty illustrations of Israeli artist Hanoch Piven have appeared in many major American magazines and newspapers, such as Time, Newsweek and Rolling Stone. His work is part of the permanent collection at The Library of Congress in Washington D.C. and has expanded to diverse areas such as literature, TV, and iPad apps. Piven has also lectured extensively about creativity and its application to life and learning for many prestigious universities and clients from around the world.
